

Hi Horns

anstul Student Series Trumpets and Cornets

If you are looking for an entry level trumpet or cornet that is made to play superbly and meet the demands of the beginning student, you need look no further than the Kanstul 600 and 700 Series models sold at Hi Horns.

These instruments are designed to perform easily and dependably within the playing range of the entry-level performer. They are built with the same superior workmanship and materials found in all the Kanstul Brasses. Valves and slides are guaranteed to function dependably. Bracing, metal gauge and alloys are specifically designed to meet the demands of the young student.

All Kanstul 600 and 700 Series instruments purchased from Hi Horns include a durable hard shell case, a mouthpiece designed specifically for the entry level player and instrument lubricants and cleaners.

Included with the purchase of a Kanstul 600 or 700 Series instrument from Hi Horns are two FREE one-half hour private lessons at Hi Horns for the student and/or parent dedicated solely to the proper care and maintenance of the instrument.

When purchasing an entry level instrument there is no greater value than the Kanstul 600 and 700 Series instruments. In durability, dependability, playability and lasting value these instruments are unsurpassed. The Hi Horns dealership offers high expertise in choosing the right instrument for each customer as well as dedicated quality service.
